Description

Each chapter of First French Reader for Students is filled with words that are organized by topic, then used in a story in French. Questions and answers rephrase information and text is repeated in English to aid comprehension. The quick and easy-to-use format organizes many of everyday situations from knowing your way around the house, studying at university, or going shopping. First French Reader for Students makes use of the so-called ALARM or Approved Learning Automatic Remembering Method to efficiently teach its reader French words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. Audio tracks are available on www.lppbooks.com/French/EFLS/En/
